

Lord, You're always with me, everyday

Lord, You're always with me, everyday  
And You're right beside me, everyday  
You surround and protect me  
Everywhere I go

Because You hold me closely to Your side, everyday  
You surround me all the day long, everyday  
Lead me in Your ways, o Lord  
Into everlasting life  
Lord, You're always with me, everyday

Lord, You're always with me, everyday  
And Your eyes are on me, everyday  
Even when I fail You  
You are faithful, Lord
