

Until that day.

There will be a day  
That the sky will open up  
And all the dead will rise up  
There will be a day  
That I meet you face to face  
And that I look into your eyes of love.

There will be a time  
That You bring us to a place  
Where there's no more pain or sorrow  
There will be a time  
That You come near by our side  
And you gently wipe our tears away.

(But) Until that day  
I will choose to know You more  
I will choose to give myself  
And to live a life of worship  
Until that day  
I will listen to Your word  
I will keep it in my heart  
As a gift full of love.  
Until that day.

I am longing for that day  
That I kneel down at Your feet, Lord  
And I know it's You by hearing my name  
And together we will walk  
In Your paradise forever  
For eternity, I'll be where You are.
