

## **Gloria!**

*Gloria, in excelsis Deo*  
*Gloria, rejoice He is born*  
*Gloria, He is here, our Saviour*  
*Glory to God on His throne*  
Don't be afraid I bring good news  
He is born today  
Still a Child, our blessed Saviour  
Sleeps in a bed of hay

Now make haste and seek the star that leads the way  
And find this Child sleeping in hay  
In a manger He will lie  
And this will be the Child divine

For His shelter will be a shed  
And a manger with hay his bed  
God's only Son  
He'll be wrapped in cloth  
Now hurry off

*Gloria, in excelsis Deo*  
*Gloria, rejoice He is born*  
*Gloria, He is here, our Saviour*  
*Glory to God on His throne*
