

I am persuaded

I believe your love is faithful
When all my hopes have crumbled
It is standing strong and able
when everything else fails
I believe your love will cover me in every storm

I am persuaded
Nothing in life, nothing in dead
No mountain height
No ocean dept
No power below, on earth or above
Can separate me from your love
I believe beyond a shadow
You never will forsake me
And your love endures forever
When all my strength is gone
I believe your love will carry me and hold me close
I am persuaded
