

He gave it all

No one ever has been  
No one ever will be  
Like the one sent to save us  
Who died on Calvary's tree

Chorus

He gave it all  
He gave it all  
On a cross of wood the man of sorrows  
Paid our debt with love  
He gave it all  
He gave it all

By the gift of his life  
By the blood that he shed  
We now know Him forever  
By his Spirit we are led

Chorus

With a crown of thorns he suffered  
For all our sin and shame  
And paid the price, the final sacrifice

He gave it all  
He gave it all  
On a cross of wood the man of sorrows  
Paid our debt with love  
He gave it all  
He gave it all . . . for us
