

Come to me

Come to me; Come to me;  
All who are weary, yes come to me.  
Rest your soul within my love,  
and know I'm God

Come to me; Come to me;  
All who are thirsty, yes come to me.  
Deep my streams to fill your longing;  
Know I'm God

Come, all you heavy laden;  
Come, all you troubled at heart.  
Bring me your wounds and I'll heal them;  
Your sins, I'll forgive them  
Your life and I'll lead you.

Come to me; Come to me;  
find living hope as you come to me.  
I'm the path that leads you home;  
Know I'm God.  
Know I'm God.  
So come.
