

Behold the Lamb of God

1. The Maker of the universe,
is nailed upon a tree.
The love of God is without end,
for He died there for me

refrein:

Yes, I believe, yes I believe,
that Jesus died for me,
His death upon that cruel cross,
forever set me free.

2. The Man of sorrows suffers pain,
yet does His Father's will.
He patiently accepts the scorn,
while they His lifeblood spill.

refrein

3. The Lamb of God o'ercomes
the grave with wondrous strength and grace!
Beholde the Lamb with endless love
that even death could face!
