

About the composer

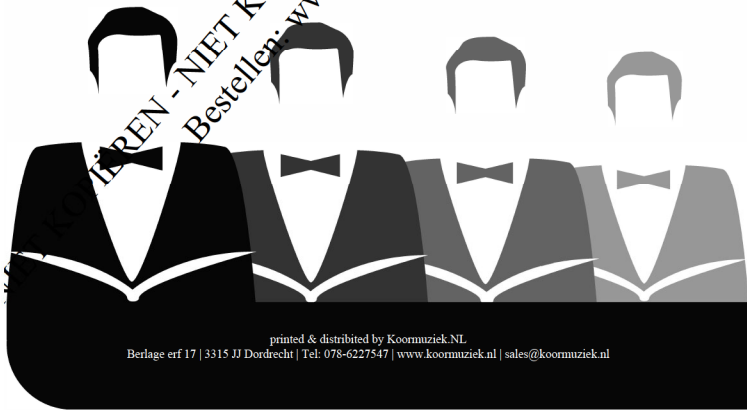

Kim André Arnesen is a Norwegian classical composer specializing in choral music. His works are being commissioned and performed all around the world. Many of them have become favorites of choirs, conductors and audiences. His works have received excellent reviews by acknowledged classical magazines such as Gramophone and Choir & Organ. He grew up in Trondheim and at the music school started playing the piano at the age of six. At the age of ten he started singing in a boys' choir and was later educated at the Music Conservatory in Trondheim. Arnesen is an elected member of the Norwegian Society of Composers. Hush My Dear, Lie Still And Slumber
 Isaac Watts (1674–1748)

Hush my dear, lie still and slumber,
 Holy angels guard thy bed!
 Heavenly blessings without number
 Gently falling on thy head.

See the kindly shepherds round about,
 Telling wonders from the sky,
 When they sought Him, then they found Him,
 With His Virgin mother.

See the lovely babe addressing;
 His infant, how He smiled!
 He was the mother's blessing
 Gently and hush'd the holy child.

May you live to know and fear Him,
 And love Him all thy days;
 Then go dwell forever near Him,
 See His face, and sing His praise!

Cradle Hymn
