

## **I Pledge my life to Thee**

Will we not share our lives  
Will she not be the one  
That is to be my wife  
How could she do me wrong  
I'd better let her go  
Maybe that's for the best  
We will go our own way  
That is what I'll suggest

Joseph hear my words  
She is to be your wife  
She never was unfaithful  
So stop being so hateful  
A prophecy is made  
And this will be your fate  
Put aside your angry heart  
Before it is too late

*Cause Mary's child's the son of God  
Fulfilling prophecies  
This Prince of peace  
And our fates he carries  
Cause Mary's child's God's only son  
The Lord of Israel  
Immanuel  
King upon the highest throne*

An angel came last night  
and visited my dreams  
And now all my doubts are gone  
Away are all my fears  
But bigger news was brought  
Far beyond this pain of mine  
It's no ordinary child  
It is a child divine

I may take care of them  
Protect them on the way  
I am so glad this is the task  
The Lord has given me  
God's son Immanuel  
Born of my wife to be  
You are my saviour and my King  
I pledge my life to Thee

Orig. Title: Ik blijf Hem altijd trouw

Leon van Veen / Erwin de Vos
