Amazing grace how sweet the sound, that saved a wretch like me
I once was lost, but now I`m found, was blind, but now I see

Amazing grace how sweet the sound, that saved a wretch like me
I once was lost, but now I`m found, was blind, but now I see

I was the least of those You called, a lady of the night, still You took me to your heart
I was the first to see the light that shone in the eyes of the One who died and gave to me
eternal life
Your words did not accuse me, the love You gave set me free

T`was grace that taught my heart to fear, and grace my fears relieved
How precious did that grace appear, the hour I first believed

I shared your pain, I heard You cry, begged your Father to forgive the ones who put You on
this cross with me

And I saw You as You really are, I cried; "Lord, do remember me!"

You said; "Come with me this day to my glory"

The pain was gone, but I could not stop crying tears of joy

Amazing grace how sweet the sound, that saved a wretch like me
I once was lost, but now I`m found, was blind, but now I see
Was blind, but now I see
