

Thank You, Oh Lord

Thanks for this glorious life here, thanks for Your love and Your might.
Thanks for Your dazzling Creation, thanks for it's wondrous delight.
Thanks for the trees and the flowers, thanks for the oceans and lakes.
Thanks for the children and their love, thanks You, oh Lord, for all sakes.

Thanks for my friends in this life here, thanks for both laughter and tears.
Thank You for letting me praise You, sing to the name that endears.
Thank You that You have forgiven, all my sins time and again.
Thanks for the joys in my life here, thanks be to You, Lord, A-men!

Thank You that when I depart here, eternal life waits up there.
Thank You for letting we know Lord: in death my sins You did bear.
Thank You, oh Lord, You are faithful, for 't is Your cross set me free.
Even near death I may praise You, You gave Your all just for me!
