

For me

Carry Your cross for me O Lord  
A cross that sets me free  
Take all my sin from deep within  
Carry Your cross for me  
Carry Your cross for me

Walk to Your death for me O Lord  
A walk that sets me free  
Suffer and die upon the tree  
Walk to Your death for me  
Walk to Your death for me

Christ died for me that I might live  
His death a gift of love  
Salvation wrapped in God's own Son  
A gift for ev'ryone

Breathe Your last breath for me O Lord  
A breath that sets me free  
Innocent Lamb without a sin  
Breathe Your last breath for me  
Breathe Your last breath for me

Christ died for me  
That I might live eternally  
Carry Your cross for me  
Walk to Your death for me  
Breathe Your last breath for me for me
