

Lay your hand now in His hands

Oh just lay your hand now in His hands,  
Then say 'Amen' to His Word.  
Let this light so burn now in your heart,  
For Him, who did hear you say: 'Yes'.

Refrain:

Do just lay your hand now in His Hands,  
and then say 'Amen' to His Word,  
on your way to heavenly shorelines,  
and the city's golden gate.

You can bring your difficult questions,  
your Lord can answer them all.  
He who would help carry your burdens,  
and you He will never forget.

Refrain:

Do just lay your hand now in His Hands,  
and then say 'Amen' to His Word,  
on your way to heavenly shorelines,  
and the city's golden gate.

You can trust your Lord to the fullest,  
and know you may be His child.  
You may also help to build His church,  
very softly singing this refrain:

Refrain:

Do just lay your hand now in His Hands,  
and then say 'Amen' to His Word,  
on your way to heavenly shorelines,  
and the city's golden gate.
