

To Honour Your Name

It's not what I accomplish
Or all the things I have achieved
Above all, what You want is
That my life reflects Your love for me

Through all that I am
And all that I do
My desire
Is that the world will see You

What it's really all about
And what really matters now
Is to honour Your name
To honour Your name
What it's really all about
And what really matters now
Is to honour Your name
Live to honour, to honour Your name

It's not our wealth, our status
Or our popularity
That will ever satisfy us
But Your love for all the world to see

Through all that I am
And all that I do
My desire
Is the world will see You

Chorus:
What it's really all about
And what really matters now...

Bridge
Thank You, Jesus
Thank You, Jesus
We're all children of One Father
And we're all wonderfully made
Thank You, Jesus
Thank You, Jesus
We are here to come together
And we honour, we honour Your name.
