

## **The Lord is our home**

His greatness stands above  
every earthly thing created  
His love goes so much deeper  
than foundations laid by men  
His walls of faithfulness  
won't be torn apart or shaken  
When all things fade away  
We will live in Him

The Lord is our home  
In Him we find refuge  
From Him we will go  
Found in His grace  
His word is our shelter  
He is our home  
He is our home

In every room and space  
shines the beauty of His splendor  
Salvation fills the places  
Where His children find their rest  
The wisdom of His word  
Shines as light into the darkness  
His mercy is a door  
Forever open wide

### Chorus

The Lord is our home  
He carries us  
In arms everlasting  
The unshakable ground  
on which we stand  
Tower of strength
