

The Lord be with You

The Lord be with You  
To guide you on your journey  
His light may lead the way  
The Lord be with you  
The shield of Christ protect you  
As you arise today

The Lord be with you  
May Christ uplift your spirit  
When you have fallen down  
The Lord be with you  
May you be free from sorrow  
The lord be with you as you rise today

The lord be with you  
And may his light surround you  
When dark or danger comes  
The Lord be with you  
The shield of Christ defend you  
As you arise today

The Lord be with you  
And may his ears hear for you  
May you see through His eyes  
The Lord be with you  
May you be led by wisdom  
The lord be with you as you rise

The Lord is with you  
And may God's word speak through you  
May these words give you strength  
The Lord is with you  
His power will uphold you  
The lord be with you as you rise today
