

Love so deep

Your grace is stronger than I'll ever understand.
You were rejected and I just turn away.
Still You love me, gave Yourself and took the blame
On that hill You carried all my sin and shame,

Love so deep, at such a cost.
Grace Divine carried the cross.
Your act of mercy left You scars.
You gave Your life to save my heart.

Bearing such sorrow, You endured the cross
Abandoned, crying it was complete.
Jesus, You gave Your life for me.
