

Keep me goin' Lord

Keep me goin' Lord,  
when I'm weary on this road  
Keep me goin' Lord,  
when my spirit's feeling'low.  
Keep me goin' Lord,  
when the night is long.  
Shine on me, keep me goin' strong.  
Shine on me, keep me goin' strong.

Sometimes I feel like given'up,  
but Your help is all I need.  
The shadows fall, the path is dark,  
but I'll follow wheren You lead.

Keep me goin' Lord...

(Sometimes the road gets rocky)  
Sometimes the road;  
there are mountains in my way  
(But I know you're always with me)  
You're a;ways with me;  
never will You let me stray.  
When trials come a-knockin',  
and I stumble in the night  
Lord I trust You to guide me,  
bring me back to the light!

Keep me goin' Lord...
