

Brand new day

The Morning Star has risen, can't you hear creation crying out?  
Jesus, He has promised us forgiveness,  
breaking forth the shining like the dawn, Jesus, Jesus.

Ev'ry sin has been erased, mercy has descended, darkness has been lifted.  
Hope has filled an empty grave, the cross has conquered death;  
Love has brought a brand new day, brand new day.

Chains of guilt are falling, the curse of sin is broken by the name,  
Jesus. He has freed the one in prison,  
He has healed the broken and the lame, Jesus, Jesus.

Ev'ry sin has been erased, mercy has descended, darkness has been lifted.  
Hope has filled an empty grave, the cross has conquered death;  
Love has brought a brand new day, brand new day.

Brand new day, a new day, a new day has come.  
A new day, a new day, a new day has come.

Ev'ry sin has been erased, mercy has descended, darkness has been lifted.  
Hope has filled an empty grave, the cross has conquered death;  
Love has brought a brand new day.

Ev'ry sin has been erased, mercy has descended, darkness has been lifted.  
Hope has filled an empty grave, the cross has conquered death;  
Love has brought a brand new day.  
Brand new day, a brand new day, Jesus brought a brand new day!
