

Everything in You

Come before You, my Majesty, I receive now from Thee
Give me your personality, let your spirit take hold of me
Make your church live in unity, guide us now by your word
Shine your light for the world to see, tell the people of what we've heard

Father, Spirit, Son in one, we worship You for your amazing grace
All guilt and shame is gone, our hearts are yours for now and always

By your Spirit You make me new, I was blind now I see
I have everything good in You, at the cross I was so set free

Father, Spirit, Son in one, we worship You for your amazing grace
All guilt and shame is gone, our hearts are yours for now and always

Holy Majesty, You, my God is three, Man from Galilee, all power bow before Thee now and evermore
Holy Majesty, You, my God is three, Man from Galilee, all power bow before
Love, joy and self-control, kindness, gentleness, peace, generosity, patience, faithfulness
Won't walk away from all that I have in You, Lord, You saved me, You made everything new

Father, Spirit, Son in one, we worship You for your amazing grace
All guilt and shame is gone, our hearts are yours for now and always

Father, Spirit, Son in one, we worship You for your amazing grace
All guilt and shame is gone, our hearts are yours for now and always

Father, Spirit, Son in one, we worship You for your amazing grace
All guilt and shame is gone, our hearts are yours for now and always
For now and always all guilt and shame is gone
