

Stand by me
English: Hamlin

Storms appear, shadows come over me.
Depths of despair would claim each new day.
There, in the darkness when I'm tempted to lose my way,
I have a pilot who knows the sea.
I call His name in each troubling hour.
Promise is mine of His saving pow'r.
He gives the peace that calms my soul.
Safe is the harboring when on Him I call.

Stand by me, stand by me.
No other source can my refuge be.
Thou, Creator of the heavens, and ruler of the seas,
in the eye of the tempest, stand by me.
When the Trials come, and trials go.
The only refuge I can know is in His ever loving care.
The sov'reign' master hears my prayer.

Stand by me, oh, stand by me.
No other source can my refuge be.
When the storms of life surround,
and their wrath would bring me down,
Thou, who rulest wind and water
Thou, who knowest all about me, stand by me.
